A POEM BY MIA MALES (MS)

*Music is like a warm cosy home.
Music makes everything go away in a flash.
Music is like warm clear day with the sun shining down
on you on a thundering pouring with the thunder
crashing down kind of day.
Music is like another dimension.
If music was a colour, it would be as blue as the ocean
and as purple as a piece of lavender lost in the long
green grass.
Music is as peaceful as a dark alley way on a silent cold
dark solid night.
Music is like a button and whenever you press that
button you teleport to somewhere you feel safe. You
feel you belong. Somewhere you can let everything
out!!!!
Where you can sing along like a freak singing or even a
popstar! Whatever you want!!!
Music is like a place you can embrace yourself and be
yourself!!!!!!!
And there's all kind of music!!
And finally, music is where I belong and a place I can
call home proudly.*

Last week we had two students represent our school in Trafalgar at the Lions Club Public Speaking Competition. Elliot- gave his speech in the Year 5/6 category.

Adele delivered her speech in the Year 3/4 category.

They both received participation certificates.

These students put an enormous amount of time and effort into writing and delivering their speeches which were judged on their content, delivery and timing. We are proud of Elliot and Adele for representing 545 so well.

Yesterday, author and illustrator Mark Wilson came to visit our school. Our whole school had a great time learning about Mark's writing processes, inspirations, ideas, life and career. We also found out, Mark's family was in the RAAF and that he attended Sale Primary School as a child. It was really interesting to hear about his way of creating stories and how he drew inspiration from his life and those around him. We had a really enjoyable time! ART ROOM NEWS LOU COOPER

The Middle students have finished their two week unit on Grotti Lotti inspired birds (check out her artwork if you are not familiar with it, it's amazing!). We looked at, and discussed, all the different and intricate lines and marks she paints on her birds. Students used watered down acrylic paints to create their head, beak and body of their chosen Australian birds and recreated the "drips" similar to Grotti Lotti's birds.

The following week students added in detail to make their birds come alive, using Posca pens, fineliners and markers.

Senior students also finished their two week unit on Australian Mulga the artist. They chose what fruit or vegetable cartoon character they wanted to draw, adding the Mulga character features such as sunglasses and moustache. Seniors coloured their characters using markers and Posca pens, cut them out, then stuck them on a coloured card and created a patterned background.

They have all done an absolutely fabulous job.
