Last Week's 2025 Foundation Information Session

Last Wednesday, we held our 2025 Foundation Information Session for prospective families

I would just want to say thank you to everyone who contributed to make the day so successful. We had

approximately 30 families attend, and many enrolment forms were taken.

A special thank you to Lylah, Hugo and Dot who spoke so positively about being students at 545. Thanks to the Junior School Council students who escorted the families on their tours and packed the chairs away.

Early Arrivals to School

We have noticed that a number of students are arriving at school early (8am).

Just a reminder to families that staff supervision for students starts in the school yard at 8:45am and finishes at 3:30pm. We have quite a few students who access before and after school hours care at TheirCare, which may be useful if you need additional supervision for your children before or after these hours.

Hats

Everyone is reminded that school hats are still required for the first two weeks of this term. As per our Sunsmart Guidelines, students are to wear school hats from September 1 until the end of April. Parent support in this matter is appreciated as we continue to ensure the safety and wellbeing of our students.

All policies related to the care, safety and welfare of students at Sale Primary School are available from school reception upon request. Visit the school or contact sale.ps@education.vic.gov.au

ANZAC Day Service

Tomorrow, **Wednesday April 23 at 2:00pm**, all staff and students will attend our annual Anzac Day Service.

Our Junior School Council will assist in the running of the Ceremony.

As part of the Ceremony, all students will have the opportunity to lay flowers / wreaths at the Cenotaph situated in the front yard of the school. As such, all students are encouraged to bring flowers on this day.

We extend an invitation to all parents and friends to also join us for this very special and respectful event.

Yesterday's P&F meeting was postponed due to the cross country carnival. It has been rescheduled to held next **Monday April 29** in the Nest. Everyone is most welcome and encouraged to attend.

SWIMMING NEWS

BEN CHIVERS

Swimming Program

Due to the redevelopment of Aqua Energy Sale and the current closing of the indoor pool facilities, it has been decided that swimming lessons for term 2 and term 3 have been postponed. There was an option for swimming lessons at the

West Sale pool but due to bus costing, travel time impacting heavily on learning time and the facilities themselves not being appropriate for all swimming abilities, it was decided this was not a suitable option for the students.

We are working with Kemp Aquatics to deliver a program in Term 4 back at Aqua Energy in the outdoor pool.

RESPECTFUL RELATIONSHIPS

LEARNING

DEREK HAYMAN

Respectful Relationships Learning

I hope everyone has settled back well into term 2! Most classrooms will have started on Topic 3 of the Respectful Relationships teaching and learning. Topic 3 is Positive Coping, this topic provides opportunities for students to identify and discuss different

types of coping strategies. A great way to support this learning would be to talk to your kids about different strategies you use yourself in moments that are stressful or overwhelming. Simple strategies like going for a walk or reminding yourself that you can complete whatever task is in front of you with some positive self-talk are great examples.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students
- \$250 for secondary school students

MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.
