ANZAC Day Service

Thank you to everyone involved in today's ANZAC Day Service. We were very fortunate to have a special guest in Squadron Leader Nicole Lucas (RAAF-East

Sale), Mr Rob Dorber – bugle playing and our school choirs performing.

I also appreciated the efforts made by our Junior School Councillors, as supported by Mr Chivers, in assisting me with the service as follows:

- MC's: Maddi Roscoe and Madeline Gilmour
- Student Speakers: Jesiah Ropeti and Ava Johns
- Flag Bearers: Alex Mitchelson and Maddix Malone
- Cenotaph Supervisors: Leah Gugliotti and Aleisha Marsh

The service involved students, staff and many parents including service men and women. It was a marked

display of respect for an important day in Australia's history.

Education Week (21-25 May) & 2019 Foundation Information Sessions

We are all looking forward to Education Week when we will have a number of events to showcase why 545 is the best school that's alive!

One of those events will be the 2019 Foundation Information Sessions where all parents of kindergarten aged students are invited to visit 545 in the hope that we are the school that their child will attend next year. There will be two of these sessions on Thursday May 24 (9.30am-11.00am and 7pm-8pm). Stay tuned for more information to follow in upcoming Newslines and the local newspaper

Welcome Yui

It was great to officially welcome our new, Japanese Assistant, Yui at assembly yesterday. One of the most positive features of our Languages program is that we support the placement of a Japanese Assistant in our school each year in Terms 2, 3, and 4.

This provides authentic access to a Japanese person who shares many cultural experiences about Japan with our students. They are equally supported by Collins Sensei and many host families that take care of our Assistant throughout the year. I am sure that all members of the school community will make Yui feel most welcome.

NAPLAN

The National Assessment of Literacy and Numeracy (NAPLAN) will be conducted with all Year 3 and Year 5 students in this week from Tuesday 15-Thursday 17 May.

These assessments provide a snapshot of where each students' learning is currently placed and this information, combined with the comprehensive

School Supervision: Children are supervised between the hours of 8.45am and 3.45pm.

teacher assessments conducted all year, assist in identifying student academic achievement as well as learning needs for the future.

Parents are advised to make an appointment with their child's teacher (grades 3 and 5 only) if they wish to discuss the NAPLAN further.

Students and Mobile Phones

It is our school policy that if students are required to have mobile phone to use to and from school only, they **MUST** have a completed Permission Form (which can be obtained from the front office). Mobile phones **ARE NOT** to be used during school hours. Phones must also be handed to the classroom teacher for safe keeping throughout the day.

Professional Practice days

The Australian Education Union last year had 4 Professional practice days added to the Teaching Staffs professional learning time in compensation for the work load issues that have been identified in the previous Victorian Government Schools Agreement. Therefore every term the teachers have an opportunity to take a day to plan, prepare, collaborate and develop curriculum. Some staff have already had their day and others have theirs coming up in the coming weeks. These days will almost always be covered by CRT staff. If you have any questions, then please don't hesitate to ask.

Hats

Everyone is reminded that school hats are still required until the end of April. Parent support in this matter is appreciated as we continue to ensure the safety and wellbeing of our students

Questions to ask your child/ren after school instead of 'How was your day?'
Ewen Jondahl, Assistant Principal

This week's questions are:

1. What was the book about that your teacher read?
2. What is something you saw or did that made your brain work hard?
3. Tell me something you know today that you didn't know yesterday.

Parents & Friends Meeting

The next Parents & Friends meeting will be held on **Monday 30 April 2018 at 2pm** in the Nest.

Everyone is most welcome and encouraged to attend.

ANZAC Appeal

Once again, our school is supporting the 2018 ANZAC Appeal. Badges and other merchandise is available for purchase from our school office.

New Disabled Car Parking Spaces in Cunningham Street

Thank you to the Wellington Shire who have agreed to fund 2 new disabled car spaces for any vehicles displaying registered disabled stickers on their cars. Over the next 2 weeks, work will be done on repainting new disabled spaces, along with erecting new signs (see photos). A new pathway will also be installed from the gutter to the front gate.

The Wellington Shire will be patrolling this area throughout the year to ensure that only vehicles with a disabled sticker are parked in these spaces.

These 3 spaces will be combined and made into 2 disabled car parking spaces

New signage has been installed

Sale College SEAL Program

If any parents are interested in their grade 6 student participating in the Sale College SEAL Program in 2019, there is an information night for parents on Thursday April 26 at 7pm in the Sale College Guthridge Campus Library.

Group 2 MY & JS	9.50	10.00 – 10.40	11.00

FAMILY MATHS CHALLENGE

How fast does your heart beat?

How long does it take for your heart to beat 1000 times?

Hint: Estimate your heart rate in beats per minute, per hour, and per day.

Figure This! If you started counting your heartbeats at midnight on January 1, 2000, when would you count the millionth beat? What about the billionth beat?

Get Started:

The best place to find your pulse is on your wrist or neck. Count the number of beats in your pulse for 15 seconds and multiply by 4, or count the number of beats for 30 seconds and multiply by 2. Once you know the number of times your heart beats in 1 minute, find the number of beats in 1 hour, and then in 1 day.

Additional Challenges:

1. Have you been alive for 1 million minutes? Do you know someone who has been alive for this long?

2. Have you been alive for 1 billion minutes? Do you know someone who has been alive for this long?

3. Have you been alive for 1 million hours? Do you know someone who has been alive for this long?

4. Suppose your heart rate was 72 beats per minute. You rounded it to 70 to make your calculation. If you did not round, how far off would your estimated answers be?

Things to Think About:

- If you had 1 million drops of water, would you be more likely to drink it, take a bath in it, or swim in it? What if you had 1 billion drops of water?

- There are approximately 3 million people in the city of Chicago. How many times larger or smaller is the population of your city than the population of Chicago?

- How much does rounding affect your answers when adding? When multiplying? How close is close enough?

Did You Know That?

- 1 million is 1000 times 1000, or

$10^3 \cdot 10^3 = 10^6$,

no matter where you live,

but the definition of 1 billion depends on where you are in the world.

- In the USA, 1 billion is 1000 times 1 million, or, $10^3 \cdot 10^6 = 10^9$, but in

Great Britain and France 1 billion is 1 million times 1 million,

or $10^6 \cdot 10^6 = 10^{12}$

Sustainability News Di Collins

If you or a member of your family have a little

spare time and would like to help out with sustainability at 545, please let me know. There are all sorts of possibilities including:

- Cooking with food from our gardens
- Gardening
- Helping distribute/sell food from our gardens
- Keeping our compost bins in good order
- Data entry
- And many others.

RECYCLING

The work we have been doing over the last few years to educate our school community about the importance of reducing the amount of waste we produce, sorting our waste correctly and recycling and reusing wherever possible has been highlighted with the **recent crisis in recycling** across Australia.

A few hints for improving waste disposal at home:

- Don't buy things unless you really **need** them. Then you won't have to worry about how to dispose of them further down the track.
- Unwanted clothing and household items in good condition can be donated to an Op Shop – just check they need the things you have in mind
- Soft plastics (including chip packets, cling wrap, etc) can be recycled in bins at Woolworths and Coles
- Hard plastics (including plastic packaging which springs back into shape when scrunched up) can be recycled. Ensure tins, jars, etc have been rinsed
- Food scraps should be composted. If you don't have a compost bin you can just bury it in the garden and it will gradually decompose

Plastic bags, take-away coffee cups and plastic water bottles are some of the

biggest rubbish problems – just **say NO!**

Be organised and take your own reusable coffee cup, your reusable water bottle and reusable shopping bags – keep them in your car.

This alone will make a huge difference

There are some variations between Councils as to exactly what can be put into household recycling bins – find out by going to <http://www.getitrightbinnight.vic.gov.au/what-can-i-recycle/>

Sale Primary School Child Safe Standards

Sale Primary School is committed to child safety. We want children to be safe, happy and empowered. We support and respect all children, as well as our staff and volunteers. Sale Primary School is committed to the cultural safety of Aboriginal children, the cultural safety of children from a culturally and/or linguistically diverse background, and to providing a safe environment for children with a disability and/or vulnerable children, allowing these children to participate equally.

We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures. This encompasses all school environments and outside of school hours.

Lost Property

Could parents please make sure that all items bought to school are clearly named.

RAAF Base 75th Anniversary

Linda Wilson

(Defence School Transition Aide)

Last Friday April 20, 15 Grades 3-5 students attended a parade to celebrate the 75th Anniversary of the formation of the RAAF Base East Sale. All of the students in attendance had parents currently serving in the Australian Defence Force, and most of those were marching in the parade. The students enjoyed watching the parade, which included the Air Force Band, fly overs by Defence aircraft and presentation of the Queen's Colours. They were also lucky to be invited to have a BBQ lunch in the Officers Mess with their parents following the parade.

The students were very privileged to be a part of such a significant milestone celebration and were accompanied by Acting Principal Chris Malone and myself.

House Cross Country 2018

Bree Courtney

Well done to all students who gave it their best and competed in the House Cross Country Carnival yesterday at the Catholic College Ovals. It was perfect weather for spectators, perhaps a little too warm for running 3km later in the day, however that didn't stop some stellar performances. I was very proud of the student behaviour throughout the day, in particular the Foundation students who for most this was their first whole school event away from school.

The Parents and Friends Committee are to be commended on their amazing refreshment stall, selling cakes, slices, icy poles, tea and coffee. Thank you for your wonderful commitment to school events and fundraising for our wonderful school.

As always, a huge thank you is extended to the parents who gave up their time to assist at the carnival. As always your help is very much appreciated; *Shelley Young, Katie Weire, John Archer, Helen Holliday, Myra Lindrea, Mick Hatwell, Sharon Ray, Maree Trante, Bree Burgiel, Fiona Davis, Deb Stewart, Steph and Rob Johnson.*

Well done to Loughnan House who convincingly won the Cross Country shield with 356 points. A long way behind in 2nd place was Carpenter with 291 points, followed by Schultz in 3rd with 252 points and Ruff in 4th with 223 points.

The Team Spirit Cup, awarded to the house who displays the most school values and sportsmanship went to Ruff House. Well done!
