#### Parent-Student-Teacher Interviews

As part of our commitment to communicate with parents on the progress of their children, we will be conducting Parent-Student-Teacher Interviews on **Thursday September 13**. The focus of these interviews is to celebrate the learning achievements of our students as well as to report back on progress made since the writing of the Term 2 Student Reports.

As in previous years, these interviews will be conducted on the one day to ensure an efficient process is completed.

To allow for these interviews to be conducted on the same day throughout the school, **students will only be required to attend school for their interview.**

Online bookings will open next week. Instructions on how to make a booking will be sent home with students shortly.

#### Parent Opinion Surveys

Randomly selected families received a DET initiated **Online** Parent Opinion Survey. These surveys are conducted every year and are used to determine areas of strength as well as areas where improvement can be focussed upon.

**If you received an invitation to participate, please take the time to complete it (no later than **Sunday August 26**). They are confidential with all responses being-collated as one.**

We welcome positive feedback that acknowledges the ongoing work that the school does in pursuit of improvement and we encourage feedback that promotes areas we can further improve. No matter what the feedback, we also welcome parents being part of the successes and / or solutions.

In recent years, the school has responded in affirmative ways to these surveys that have resulted in significant improvements in:

- Student Learning Programs
- Student Management
- Parent Participation
- School Promotion
- School Facilities and Resourcing

No. 51

**FMV**  
FREEMASONS VICTORIA

14 August 2018

Dear Parents and Staff,

As Worshipful Master and on behalf of the members of Gippsland Lodge, I wish to thank the staff and parents that enabled our Members and their families, to assist in supporting the education of the students at Sale Primary School.

The connection between Sale Primary School and Gippsland Lodge can be traced back to around 100 years ago, as Gippsland Lodge on occasion met in the old section of the School. We also have many members of the Lodge that either attended, or currently have children attending the school.

The School instils values into the students that align with those in Freemasonry, such as Respect, Honesty, and Success.

Through assisting and investing in the education of young people, we hope to better enable the students to reach their full potential and become upright young citizens, demonstrating the ideals of Freemasonry – benevolence, charity and leadership.

Gippsland Lodge has a long and proud history of leadership and of making our community a better place. It is through active participation and our values that we hope to make a difference in not only our lives, but also that of our families and our community.

Gippsland Lodge is looking to supporting our community further, through encouraging more participation in freemasonry, because when we work together and support each other, we can do great things.

I again thank the School community and encourage interested parents, teachers and the broader community interested in learning more about Freemasonry to contact me, or one of the Gippsland Lodge members.

Yours Sincerely,

Geoff Newby APM

## **National Disability Insurance Agency (NDIA) and the National Disability Insurance Scheme (NDIS).**

The NDIA is an independent statutory agency. Their role is to implement the NDIS.

Information for families and students who live in Outer Gippsland Area and are in one or more of the following categories:

Students who are in one or more of the following categories have had their contact details provided to the National Disability Insurance Agency (NDIA) to facilitate a smooth transition into the NDIS:

1. Students receiving Program for Students with Disabilities (PSD) funding for Vision Impairment;
2. Students enrolled at a Specialist School exclusively for students with Moderate to Profound Intellectual Disability;
3. Students with disability transport program (Specialist School Bus, taxi or conveyance allowance);
4. Personal care support at school (Program for Students with Disabilities (PSD) funding at level 4, 5 or 6; and/or Medical Intervention Support (MIS)).

### **How do I know if my child is eligible for NDIS?**

If your child meets the age, residency and disability requirements of the NDIS and you live in the Outer Gippsland Area your child may be able to access the NDIS. Outer Gippsland Area includes the following Local Government Areas (LGA's);

- Wellington
- East Gippsland

### **When and how will parents be contacted?**

The NDIA start date in the above LGA's is January 2019. The NDIA may contact you by phone or letter before January to begin the process of access to the NDIS. Please be aware that the NDIA will call from an 'unknown' caller ID number. If they are not able to contact you they will send you a letter. The NDIA is contacting a large number of families so you may not be immediately contacted. Your patience is appreciated.

### **What do I need to do after the NDIA contacts me?**

As the NDIS may fund supports and services in addition to what your child is currently receiving at school, we encourage you to respond to the NDIA as soon as they get in touch.

It is important to note the NDIS does not fund supports that relate to your child's learning. These will still be the responsibility of schools and the education system.

If your child is eligible for the NDIS, you will be asked to work with the NDIA to develop a plan which will identify the services and support best suited to your child.

### **What will change and what won't?**

Your child will be assessed for need and may be eligible for a range of supports. For now, your child's bus to school and support for personal care needs at school will continue to be delivered in the same way. If there are changes to arrangements in the future these will be gradual and we will talk to you first. For now there is no change.

### **What if my child isn't receiving personal care or transport?**

If you live in Outer Gippsland and your child is not currently receiving these services through the Victorian Government, and you believe they might be eligible for the NDIS, we encourage you to approach the NDIA to be assessed. You can contact the NDIA on 1800 800 110.

### **What if I don't live in Outer Gippsland?**

The NDIS is transitioning across Victoria, Local Government Area by Local Government Area from 1 July 2016 to 30 June 2019. To see when the Local Government Area you live has been scheduled to transition, please refer to the website: <https://myplace.ndis.gov.au/ndisstorefront/about-us/our-sites/vic.1.html>.

Closer to the Area rollout more information will become available.
