Sale & District Athletics

Congratulations to the 545 Athletics Team that competed at last week's Sale & District Carnival. Their efforts saw the team finish in 1st place and ensured that many students will now go on to the next round, Wellington Carnival, on Tuesday 12th September. Congratulations to Krystal Archer and Finn Staple who were also awarded Age Champions!

Thank-you to Mrs Courtney, Mrs Wilson and many parents who assisted and supported the students throughout the carnival.

Parent-Student-Teacher Interviews

As part of our commitment to communicate with parents on the progress of their children, we will also be conducting Parent-Student-Teacher Interviews in Term 3. The focus of these interviews is to celebrate the learning achievements of our students as well as to report back on progress made since the writing of the Term 2 Student Reports.

As in previous years, these interviews will be conducted on the one day to ensure an efficient process is completed. This day has been set for **Thursday September 14.**

To allow for these interviews to be conducted on the same day throughout the school, **students will only be required to attend school for their interview.**

Online bookings opened yesterday. Instructions are also included in this week's Newsline.

2018 Foundation (Prep) Enrolments

Enrolments for 2018 Foundation students are coming in at a rapid rate. Already there are over 80 Foundation students enrolled for next year. This number creates confidence that once again, we will have four (possibly 5) Foundation classes next year, 3 (or 4) of which will be mainstream and one modified program to meet the needs of our new cohort.

If you know of families that are intending to enrol at '545' in 2018, please encourage them to drop in and collect an information package. We would appreciate prompt return of enrolment forms to assist us in planning for 2018.

Sale and District Athletics

Bree Courtney

Well done to all participants of our 545 athletics team who represented our school at last week's Sale and District Athletics carnival, held at the Gippsland Grammar Senior Sports grounds. Competing against all the other schools in the Sale district, it was fantastic to see all our students giving 110% in all their events, with the majority of our team achieving places and moving onto the next round – Wellington Division, to be held next Tuesday, September 12th back at the Gippsland Grammar Senior Sports grounds.

As a result of their fine efforts, Sale Primary School came away in **1st place with 90 points**, with St Thomas Sale right on their tails in 2nd place with 89 points. St Mary's Sale took home the 3rd place shield and the small school's shield.

Age Champions

Congratulations to Finn (12yo Boys) and Krystal (12 Girls) who were both named Age Champion for their age group. Finn and Krystal both won all four of their individual events and were both members of their respective 4x100m relay teams who also achieved 1st place in the district.

4x100m Relay Teams

Once again, 545's excellent reputation for high achievement in the relays stood tall. All 6 of our relay teams placed and progress to Wellington Division.

In their first year of relays, our 9/10yo boys and girls relay teams both placed 2nd, our 11yo boys and girls teams placed 3rd and our 12yo boys and girls teams placed 1st.

Japanese News – Di Collins Host families needed

At 545 we have been very lucky to have had Japanese Assistant Teachers working in our school for the last 16 years. We have had wonderful assistants who have enriched school programs and provided an opportunity for our students to become friends with a Japanese person.

This program relies on the generosity of our school families in opening their hearts and homes to our assistants for up to a term. Our assistants become part of the family, taking part in family activities and sharing their knowledge of Japan as they learn about Australian family life. Many friendships have been made that have lasted long after the assistant has returned home. Our assistants are all recently graduated university students who also enjoy becoming part of the community and joining in social activities with the staff and new friends. They often enjoy cooking for their family and sharing skills, such as origami, with children.

Our assistants require a room of their own and meals.

If you would like to find out more about hosting in 2018, please contact me at school. Previous host families would also be very happy to speak with you about their experience. This year the Pates hosted our Assistant Ayaka Yamamoto in Term 2 and the Hollidays are her current host family. It has been a great experience for all of them. Please consider becoming a host family, so that this wonderful program may continue.

Please contact the school office by Friday September 1 if you would like to find out more.

ISSUN BOOSHI MIDDLE SCHOOL MUSICAL - Di Collins

This term, all middle classes will be involved in a large-scale musical production called *Issun Boshi (Inch-High Samurai)*. This biannual production is bilingual (Japanese and English) and involves dancing, singing and live musical accompaniment by our Senior band and taiko group.

The performances of this production, which is based on a Japanese folktale, will take place on Tuesday September 19 at 2pm for the school and at 7pm for families. At 10am on Wednesday 20 September there will be a performance for the wider community.

Mark the date in your diary and we hope to see you there to enjoy and celebrate the work of our students in this production.

Assistance is required in a number of areas and offers of help would be gratefully received from any members of the school community. Please contact the school if you can help. Entry is by gold coin donation

Tournament of Minds Amy Lace

On Saturday August 26, three teams of senior students participated in the Tournament of Minds competition at Federation University, Gippsland Campus.

The students have worked extremely hard over the past six weeks to prepare their response to the social sciences and spontaneous challenges. They all displayed well-developed problem solving skills, team work and commitment.

The students should be really proud of the effort they put in to their practises and final performance. A special thank you to the students involved for giving up their lunch times, after school and weekends to practise. Thank you also to their parents for doing the pick-ups and drop-offs, and the senior school staff for their supervision and support over the duration of practises.

Students will be presented with certificates at senior assembly this Friday.
