We hope the weather will be kind and the mosquitoes quiet but we do encourage everyone to wear a generous amount of insect repellent just in case!

#### Student Reports

All students will receive their end of year, December Reports on Tuesday **December 18**. These reports indicate the point of learning for each child as at the end of the 2018 school year. This data will be forwarded on to each child's 2019 teacher (along with other data and work samples) as the 'starting point' for learning next year.

Students have received the results that they deserve and as is the case with all reports, there are results to celebrate and results that will be the focus of future learning and development throughout the next 12 months.

#### Twilight Netball / Soccer

As the Twilight Soccer and Netball competitions draw to a close, it is timely to thank all of the students, parents, friends and teachers that have supported the students in representing the school in these competitions.

### **Juniors Enjoy Japanese lunchboxes**

Last week student in the junior school made onigiri (rice balls) and brought healthy colourful food such as broccoli, carrot, boiled egg, cucumber and cherry tomatoes to share. The ingredients were all put in origami boxes which the children had made earlier and then students sat on Japanese picnic mats to enjoy their picnic. Students discussed how colourful and delicious the lunchboxes were, and they also noted that there was no rubbish. Some of the comments were:

- I've never eaten cucumber before – it's yum
- I don't like fruit and vegetables, but I just ate a whole carrot
- This is the first time I've had little tomatoes.
- oishii (delicious) – many, many times.
