We have had a close call with a student riding a bike this morning to school. I think we would all agree that getting a phone call from the police to say your child has been injured on a road is our worst nightmare. Thank you for helping to keep our children safe!

Information Nights

In 2018, Sale Primary School aims to engage further with our parent community. We want to increase communication and develop a mutual understanding around how we can work together as a team to give our students an optimum learning experience.

As part of this initiative, all sub-schools will be conducting **Information Nights** as follows:

- **TONIGHT Tuesday February 27: Senior School (Grades 5 & 6)**
- **Wednesday February 28: Junior School (Grades 1 & 2)**
- **Wednesday March 7: Foundation (Preps)**

These nights will have a consistent pattern as follows:

- **7:00-7:30:** Parents to attend brief Information Session together hearing from the Principal, Specialist Teacher representative and the classroom teachers with the focus being primarily around: 'what happens each week' and 'how parents can assist their child's learning at home'! These presentations will begin in the Rainbow Room (building adjacent to Cunningham Street) and finish in the respective classrooms of each sub-school
- **7:30 – 8:00:** Parents to break off into grade groups and visit their child's classroom with their teacher for a tour and Q & A session.
- **Please Note:** As required, staff will be available to supervise children between **7:00 – 8:00** in support of parents who will be otherwise engaged.

Parent-Teacher Interviews

To further enhance our communication with and engagement of parents, the school will also be conducting Parent-Teacher Interviews on **Monday March 19**. These interviews will be supported by an Interim Report that identifies each student's Social Relationships and Work Habits and their Attendance Data for Term 1. **Normal programs will not run on this day**, students will only be expected to attend these Parent-Teacher Interviews with their parents. Online booking information for these interviews will be sent out later this week.

Principal's Report – Chris Malone

Student Safety on our Roads

Can parents, whose children walk, ride, scoot, etc to and from school, please have a chat with your children regarding crossing roads, along with giving way to pedestrians.

School Supervision: Children are supervised between the hours of 8.45am and 3.45pm.

Questions to ask your child/ren after school instead of 'How was your day?'
Ewen Jondahl, Assistant Principal

This week's questions are:

1. Was your class able to display the green tick today? (meaning everyone from the class was at school)
2. What was the favourite part of your lunch box today?
3. How could you model green behaviours to other students out in the yard?

Thank You

Thanks to Calinda at Silver Pawz Salon for once again taking care of Nala's beauty needs!

Good Luck Bree Courtney

Good luck to all of our students representing 545 today at the Sale & District Swimming Carnival.
