Parent Opinion Survey – We want our parents to tell us what they think!

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the

Department of Education and Training that is conducted amongst a sample of randomly selected parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

147 randomly selected parents were invited yesterday to participate in this year's survey. All responses to the survey are anonymous. The survey will close on **Sunday August 26**.

School Supervision: Children are supervised between the hours of 8.45am and 3.45pm.

decided to hold the F-2 Junior Athletics Carnival in Term 4.

Holding this event in July is often met with wet, windy and cold weather, proving uncomfortable for both the competing students and the parents and friends supporting the students on the day.

We will also restructure the House Shields; the Grade 3-6 House Athletics Shield will be presented after the Senior Athletics Carnival this Friday, and the Foundation to Grade 2 students will have their own House Shield, to be presented on the afternoon of their newly appointed carnival.

The new date for the F-2 Junior Athletics Carnival will be **Friday October 19.** The weather will be much more favourable, ensuring that all students, parents and friends have an enjoyable and memorable carnival.

Thank you to everyone for their understanding.

SSV State Cross-Country Championships

Well done to Cassie Farley who qualified to compete in the SSV State Cross Country Championships, held at Bundoora last Thursday, July 19.

Unfortunately, due to injury, Cassie was unable to compete at this event, however, she is to be commended on her fantastic achievements in Cross-Country this year.
