#### This week's questions are:

1. Was your class able to display the green tick today? (meaning everyone from the class was at school)
2. What was the favourite part of your lunch box today?

#### Grade 5/6 Hoop time

Yesterday, four Grade 5/6 basketball teams represented 545 at the Sale District annual Hoop Time competition. We had 1 boys team in the All Stars division and 3 mixed teams in the Future Stars division. All of our teams played some great basketball and showed great team spirit and enjoyment throughout the day.

Big thanks is extended to Miss Ross for coaching the Future Stars A team and Mick Peverill for coaching the Future Stars B team. Thanks also to Steph Johnson and Kathy Delamere for scoring during games.

The All Stars Boys team and the Future Stars A team both made the grand final in their divisions, and both won their grand finals, qualifying them for the next round of Hoop Time and SSV basketball. Well done to all students involved!

### Host families needed

At 545 we have been very lucky to have had Japanese Assistant Teachers working in our school for the last 17 years. We have had wonderful assistants who have enriched school programs and provided an opportunity for our students to become friends with a Japanese person as they learn Japanese.

This program relies on the generosity of our school families in opening their hearts and homes to our assistants for up to a term. Our assistants become part of the family, taking part in family activities and sharing their knowledge of Japan as they learn about Australian family life. Many friendships have been made that have lasted long after the assistant has returned home. Our assistants are all recently graduated university students who also enjoy becoming part of the community and joining in social activities with the staff and new friends. They often enjoy cooking for their family and sharing skills, such as origami, with children.

Our assistants require a room of their own and meals.

If you would like to find out more about hosting in term 1,2,3 or 4 in 2019 please contact me at school. Previous host families would also be very happy to speak with you about their experience. This year, the families of Teagan Bennett (Grade 5) and Hamish Hartley (Grade 3) have hosted.

Please consider becoming a host family, so that this wonderful program may continue.

**Please fill in the reply slip and return it to the OFFICE by Friday August 3<sup>rd</sup> to find out more.**
