- An attendance report (highlighting the impact of attendance / absence on learning)
- A rating scale that will see the abolition of the A-E Scale to be replaced by a scale that indicates where the student learning is positioned at that time. This rating scale will include: well above the expected level (12 + Months), above expected level (6 months), at expected level, below expected level (6 months), well below expected level (12 + months).
- An improved lay-out of information making it easier to read
- Greater attention to student individualisation
- Less jargon, more user-friendly terms used

#### Move-a-thon

Well done to all members of the school community on their efforts at our recent Move-a-thon.

All money raised need to returned to school by THIS **Friday June 16**. A special lucky draw of returned sponsors' forms will occur at Assembly on **Monday June 19** for 4 book vouchers.

All funds raised will go directly toward school resources for the students!

#### Winter Sport

Good luck to our school football team who have progressed through to the next round of Winter Sport competitions. They are competing tomorrow, at Stephenson's Park, Sale against other schools from within the Wellington Network.

## Principal's Report – Brad Evans

### 2018 Foundation (Prep) Enrolments

Enrolments for 2018 Foundation (Prep) students are now officially open.

If you know of families that are intending to enrol at '545' in 2018, please encourage them to drop in and collect an information package.

We would appreciate prompt return of enrolment forms to assist us in planning for 2018.

Please also note; Enrolment **Expressions of Interest** for the Building towards Foundation (Modified) Program only is required by **Friday June 30** in order to assist us with our 2018 planning.

### Student Report Format

Following feedback from parents, the school has endeavoured to improve the student report we create for each student each semester (June / December).

Whilst we are governed by Department of Education Guidelines, we have attempted to make them more informative and parent friendly.

When these reports are received it is hoped that parents (and students) notice these changes and find them a positive step in improving this area of communication.

Some of the new features include:

- A professional coloured front page (that will include a photo of the student from last year's records).

## Term 2 Swimming Program Timetable

Grade/s	Depart 545	Swim	Depart Pool
Group 1 ML & JJ	9.10	9.20 – 10.00	10.20

### Japanese Word of the Week

#### Di Collins

Our Japanese word of the week is

やってみましょう

“yatte mimashoo”

meaning let’s try it, let’s do it, let’s give it a go”.

### PJ'S FOR SWIMMERS TOMORROW

Tomorrow, all students who are swimming this term need to bring along a pair of old pj's/tracksuit pants & top to wear in the pool.

### LOST PROPERTY

Parents are asked to please make sure that all items bought to school by their child/ren are **CLEARLY NAMED!**

We cannot guarantee the return of lost items ie. clothing, fidget spinners, toys, sporting equipment, lunch boxes, downballs etc. if not named.

If your child has second hand uniform items, please remove the name of the past student and replace with the new owner's name.

## Sustainability News

### War on Waste: What plastics can be recycled?

All plastics can be recycled, but not all of them can be recycled through our local bin collection system. **The most common recycling mistake is throwing soft plastics such as plastic bags, into the recycling bin** with the rest of your plastic containers.

Soft plastics are the number one form of contamination in the recycling system

The systems aren't designed to pick them out so they literally get caught in the conveyer belt and the whole recycling system has to be stopped so they can get them out, or after every shift people go to the machines to cut them out.

### What can be put in your kerbside recycle bin?

Plastic CONTAINERS can be recycled including plastic fruit punnets and takeaway containers. If in doubt, try to scrunch the plastic up – if it bounces back and maintains its shape it is recyclable – if not, put it in the rubbish bin.]

## Health & Physical Education Committee

To promote healthy eating and reduce our sugar intake, there will be a recipe for a healthy snack at the end of the Newline each week to try at home. If you have some of your own healthy snack recipes to share, please feel free to email them to the office. Enjoy!!

# coconut and date balls

## ingredients

- 3 cups desiccated coconut
- 2 cups (200g) pitted dates

## method

- 1. Place 2 cups of coconut and the dates into a blender or food processor.
- 2. Process on high speed for 3-4 minutes, pausing to scrape down sides as needed.
- 3. Remove from processor and roll teaspoon-sized balls. Roll in remaining 1 cup of coconut.
