School Fees:

It is extremely important that families pay their school fees each year. These funds go towards the overall running of the school and without these payments; the school would not be able to provide everything that it currently does.

We appreciate that there are times when payment of school fees can be tough and we welcome payment plans for those who would like to engage in this approach.

Be part of 545's History:

Following the very successful introduction of 'Good Old' 545' commemorative wall plaques, the next opportunity is available for current and former members of the school to leave their mark throughout the remainder of this term!

In partnership with Gippsland Trophy House, brick mounted plaques will be created and secured on a feature wall within the school to permanently preserve your involvement at the school.

Principal's Report – Brad Evans

Student Safety On Our Roads

Assistant Principal – Ewen Jondahl

Can parents, whose children walk, ride, scoot, etc to and from school, please have a chat with your children regarding crossing roads, along with giving way to pedestrians.

We have had two recent close calls with children riding across roads and nearly being hit by cars. I think we would all agree that getting a phone call from the police to say your child has been injured on a road is our worst nightmare.

Thank you for helping to keep our children safe!

House Cross-Country Carnival

Bree Courtney

Congratulations and well done to all students on their stellar efforts in yesterday's warm Cross-Country carnival. This year, the weather for both House Swimming and House Cross-Country has been topsy turvy – cold, wintery conditions for swimming and hot and sunny weather for cross-country. Students should be very proud of the resilience, enjoyment and success they displayed.

The excitement at the start of each race was great to see and the determination during the races was wonderful – students striving for success no matter what the conditions. Some of the finishes were really close and came down to the wire, creating enjoyment for both spectators and competitors.

A huge thank you is extended to our wonderful parent group who help to make our carnivals such a success; **Shelley Young, Staci Scott, Mel Trease, Giselle Boxall, Fiona Davis, Deb Stuart, Sharon Bolitho, Helen Holliday, Suzie Heywood, Sharon Ray, Liz Day, Mick Hatwell, Jan Staple and Deb O'Brien.**

We ask that parents who have students in these grades ensure that they have paid the swimming levy (\$50) component of their school fees prior to the end of this term. If families are pool members, please provide proof of membership to the school office. Pool members need only pay \$20 towards the swimming program.

Solar / Battery Storage Information Night

Thursday 20 April, 7-9pm
Sale Baptist Church, Princes Highway Sale

With systems like the Tesla Powerwall arriving on the market, battery storage is tipped to revolutionise the way households and businesses use their electricity. Coupled with a solar power system, it can provide electricity to your home 24 hours a day, but it won't suit everyone's situation.

Community Energy will also be discussed. Community energy is when a people within the community come together to plan, develop, operate, own and benefit from a large scale renewable energy system, such as solar or wind energy.

Learn the pros & cons of
battery storage at this
