Year 3 and Year 5 students in the week from **Tuesday 15-Thursday 17 May.**

These assessments provide a snapshot of where each students' learning is currently placed and this information, combined with the comprehensive teacher assessments conducted all year, assist in indentifying student academic achievement as well as learning needs for the future.

Parents are advised to make an appointment with their child's teacher (grades 3 and 5 only) if they wish to discuss the NAPLAN further.

Professional Practice days

The Australian Education Union last year had 4 Professional Practice Days added to the Teaching Staffs professional learning time in compensation for the work load issues that have been identified in the previous Victorian Government Schools Agreement. Therefore every term the teachers have an opportunity to take a day to plan, prepare, collaborate and develop curriculum. Some staff have already had their day and others have theirs coming up in the coming weeks. These days will almost always be covered by CRT staff. If you have any questions, then please don't hesitate to ask.

There will be two of these sessions on **Thursday May 24 (9.30am-11.00am and 7pm-8pm).** Stay tuned for more information to follow in upcoming Newslines and the local newspaper

Presentation at Stockdale Road Primary School Traralgon

Congratulations to Archie and Isla on their fantastic presentation at last night's School Council meeting at Stockdale Road Primary School in Traralgon. Archie and Isla, along with Nala and myself were invited to speak to school councillors regarding the success of having a dog in a school setting. Archie and Isla were so successful in their presentation that school council, the Principal and staff are now keen to pursue having a school dog at Stockdale Road Primary. Great job Archie, Isla and Nala.

New disabled car parking spaces in Dundas Street

Please note that there are now two official disabled car parks in Dundas Street. It is an offence to park in these spaces unless the vehicle displays an official disabled parking sticker. We have families in the school who need to utilise these parks on a daily basis.

545 ANZAC CEREMONY

WE'RE TAKING IT IN OUR STRIDE ON FRIDAY 18 MAY 2018

Well it's that time of year again when our school seriously starts talking about walking!

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 18 May 2018!

For more information, visit www.walk.com.au

Walk Safely to School Day

Walk Safely to School Day will take place on Friday May 18. It is a day where all students are encouraged to walk, ride, scoot and commute to school safely. It is an event promoting road safety, health, public transport and the environment. We encourage all students, if they can, to walk, ride or scoot part or all of the way to school safely.
