Parents are advised to make an appointment with their child's teacher (grades 3 and 5 only) if they wish to discuss the NAPLAN further.

One of the major school fundraisers, the Move-a-thon, will be held on **Thursday June 6.** Detailed information will be forwarded to all families this week and I look forward to the whole school community coming together for this event.

Students will need to nominate their activity (walk, run or dance) this week and we are seeking volunteers to confirm their availability this week also.

Students are encouraged to seek some sponsors / donations but are reminded NOT to approach strangers and these Sponsor Forms are due back Wednesday June 5.

Parent/Guardian helpers and participants are always needed and welcomed. Please return the slip the end of the note that will be sent home this week or complete the eform on our Skoolbag App if you can help.

Pre-Foundation at '545'

and how it might benefit your child

One in five Victorian children starts school 'developmentally vulnerable', according to the 2015 Australian Early Development Census, and those who start behind tend to stay behind.

There are several reasons why enrolling in a Pre-Foundation class might be considered 'in the best interest' of your child's overall learning development. These might come under any – or a combination of – the following early development areas:

Sharing technology designs with Mr Jondahl

-  **Wellbeing** (social, physical and emotional regulation)
-  **Communication** (language development)
-  **Identity** (sense of self, developing independence in managing their day and regulating emotions)
-  **Community** (connecting with peers, developing awareness of the feelings of others)
-  **Learning** (developing an interest in, and engagement with learning opportunities)

Acting out the story of The Three Billy Goats Gruff

At Sale Primary School, we have developed a program that specifically builds on the individual needs of children who may not yet be ready for the more formal classroom schooling experience.

Children in our Pre-Foundation program are members of our school community, experiencing a range of learning in all areas – Classroom and Specialist programs. Our Specialist programs include Art, LOTE (Japanese), Health & Physical Education and Music.

Our Pre-Foundation room has an open learning space similar to kindergarten experiences, as well as a more typical classroom environment, where we develop learning stamina over the course of the year.

Highly skilled professionals are involved in your child's Pre-Foundation year, with regular communication between home and school encouraged.

Enrolments are open and we welcome your enquiries

Our 2020 Foundation Information Sessions are being held at school on **Monday May 20, 2019 at 9.30am and 7pm. All Welcome**
