Education Week (20-24 May) and 2020

Foundation Information Sessions

We are looking forward to Education Week when we will have a number of events to showcase why 545 is the best school that's alive!

One of those events will be the 2020 Foundation Information sessions where all parents of kindergarten aged students are invited to visit 545 in the hope that we are the school that their child will attend next year. There will be two of these sessions next **Monday May 20 (9.30am-11.00am and 7pm-8pm).**

NAPLAN

The National Assessment of Literacy and Numeracy (NAPLAN) is being conducted with all Year 3 and Year 5 students this week (**Tuesday 14-Thursday 16 May**).

These assessments provide a snapshot of where each students' learning is currently placed and this information, combined with the comprehensive teacher assessments conducted all year, assist in identifying student academic achievement as well as learning needs for the future.

Move-a-thon

One of the major school fundraisers, the Move-a-thon, will be held on **Thursday June 6**. Detailed information was forwarded to all families last week and I look forward to the whole school community coming together for this event.

Students will need to nominate their activity (walk, run or dance) this week and we are seeking volunteers to confirm their availability this week also.

Students are encouraged to seek some sponsors / donations but are reminded NOT to approach strangers and these Sponsor Forms are due back Wednesday June 5.

Parent/Guardian helpers and participants are always needed and welcomed. Please return the slip the end of the note that will be sent home

Speech Pathology in Schools Initiative

We are pleased to announce that our school has been selected to participate in the Speech Pathology in Schools initiative for 2019. In

addition to the support which already occurs in our school, we will have a speech pathologist visiting our school to work with teachers in the early years using a capability-building approach rather than working with individual children. They will share specialist knowledge and skills with educators to support them to develop strategies and skills to work with children who have speech, language and communication needs. The speech pathologists will also support schools to identify appropriate referral pathways to address individual children's needs if

School Supervision: Children are supervised between the hours of 8.45am and 3.45pm.

Trashless Tuesday kicks off Di Collins

Congratulations to everyone (students and staff alike) who brought a rubbish-free lunch last Tuesday. It was great to see so many people take up the challenge – a total of 126 students were rubbish-free. **Our first class to take back the Trashless Tuesday Trophy** - with a fantastic 91% of students bringing a rubbish-free lunch was PF – what a great effort!!

126 out of 398 is nearly one third of students which was a good start. Let's try to do even better this week as we work towards becoming a rubbish-free school

We are participating in the Woolworths Earn & Learn Promotion. If you are a Woolies shopper, please collect the stickers and place them in the 545 box at the Sale store, or bring them into school and place them into the box in the office foyer. Thanks for your support

2019 Sale Eisteddfod

The Sale Eisteddfod will take place on Thursday 23rd May at the Sale Memorial Hall. Our Middle School Choir, Senior School Choir and Taiko Group will be performing.

Parents are welcome to attend as audience members but please note there is an approximate cost of \$6.00 for adults and \$3.00 concession. The Choirs will perform at approximately 9.15am and Taiko will perform at approximately 1.30pm.

Sale Eisteddfod – PARENT HELPERS REQUIRED / CAN YOU HELP WITH TRANSPORT?

If there are any music parents who would like to help out with supervision for the Sale Eisteddfod, please contact Mr. Bartlett at the school or return the slip at the end of the note sent home with students last week. We're also looking for help with transporting Taiko/percussion equipment to and from the Eisteddfod. If any parents have a wagon or perhaps a covered trailer and are able to help please contact Mr Bartlett at the school.

Any assistance would be greatly appreciated.

Issun Booshi Parent Helpers

Lighting

If any parents are able to help with supplying some form of stage lighting (or know of someone who would be willing to supply equipment), that would be greatly appreciated. The equipment would only be handled by Mr. Bartlett. Please contact Mr. Bartlett if you can help.

Parent Musicians

If any parents play a musical instrument such as flute or clarinet and would be able to play in our 2019 Issun Booshi band, please contact Mr. Bartlett

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Sale Primary School is excited to be participating.

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 6 September 2019.

Children from Foundation to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklists and for more information about the Victorian Premiers' Reading Challenge, visit: www.education.vic.gov.au/prc

Pre-Foundation at '545'

and how it might benefit your child

One in five Victorian children starts school 'developmentally vulnerable', according to the 2015 Australian Early Development Census, and those who start behind tend to stay behind.

There are several reasons why enrolling in a Pre-Foundation class might be considered 'in the best interest' of your child's overall learning development. These might come under any – or a combination of – the following early development areas:

Sharing technology designs with Mr Jondahl

-  **Wellbeing** (social, physical and emotional regulation)
-  **Communication** (language development)
-  **Identity** (sense of self, developing independence in managing their day and regulating emotions)
-  **Community** (connecting with peers, developing awareness of the feelings of others)
-  **Learning** (developing an interest in, and engagement with learning opportunities)

Acting out the story of The Three Billy Goats Gruff

At Sale Primary School, we have developed a program that specifically builds on the individual needs of children who may not yet be ready for the more formal classroom schooling experience.

Children in our Pre-Foundation program are members of our school community, experiencing a range of learning in all areas – Classroom and Specialist programs. Our Specialist programs include Art, LOTE (Japanese), Health & Physical Education and Music.

Our Pre-Foundation room has an open learning space similar to kindergarten experiences, as well as a more typical classroom environment, where we develop learning stamina over the course of the year.

Highly skilled professionals are involved in your child's Pre-Foundation year, with regular communication between home and school encouraged.

Enrolments are open and we welcome your enquiries

Our 2020 Foundation Information Sessions are being held at school on **Monday May 20, 2019 at 9.30am and 7pm. All Welcome**
