Sale & District Cross-Country Carnival

Congratulations to the 36 students who represented Sale PS at last week's Sale & District Cross-Country Carnivals. The school team finished 2nd overall. Thank-you to Mrs Courtney and Mrs Wilson along with the many parents who supported the team on the day!

7 students performed well enough to move on to the next round of competition, the Wellington Zone Cross-Country Carnival to be held in Yarram, Monday May 22. Good luck to all students.

School Fees

Thank-you to the many families that have already paid their school fees (or set up payment plans).

It is extremely important that families pay these school fees each and every year. The funds raised go towards the overall running of the school and without these payments; the school would not be able to provide everything that it currently does.

Charges associated with Swimming and Visiting Performances are to be cost neutral to the school and therefore are user pays. In the event of non-payment, students will be unable to participate in these activities.

Updated accounts were sent home last week, if you have yet to attend to these, your support will be appreciated. We understand that there are times when payment of school fees can be tough and we welcome payment plans for those who would like to engage in this approach. Please do not hesitate to contact the office if you wish to proceed with this option.

Road Safety

Every year we remind all members of our school community to be safe on our roads especially when coming to school in the mornings and returning home in the afternoons.

I urge all parents to speak with their children about road safety that includes:

- Crossing the road (especially using school crossings that are in Macalister and Cunningham Streets).
- Riding bikes / scooters / skateboards (especially obeying road rules and behaving sensibly on these modes of transport).
- Getting into and out of parked cars.

I also ask that parents engage in the utmost of care when dropping off and picking up their children. Children can be unpredictable and every precaution

Victorian Premiers' Reading Challenge Emily Davie

The Victorian Premiers' Reading Challenge is now open and Sale Primary School is excited to be participating again this year.

The Challenge is open to all Victorian children from birth to 16 years in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 8 September 2017.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers (at least 20 from the challenge list). Children from Year 3 to Year 10 are challenged to read 15 books (at least 10 from the challenge list).

The Victorian Premiers' Reading Challenge Booklists are now on display in the Library for students to access.

To promote healthy eating and reduce our sugar intake, there will be a recipe for a healthy snack at the end of the Newline each week to try at home. If you have some of your own healthy snack recipes to share, please feel free to email them to the office. Enjoy!!

Baked banana chips

These baked banana chips bear no resemblance to those hard fried disks that are in the health food aisle in the supermarket. You are just two ingredients away from a tasty snack for your family.

ingredients

- 2 lemons, juiced
- 2 bananas

method

1. Preheat oven to 120°C or 100°C fan-forced. Line a baking tray with paper and set aside.
2. Juice lemons and pour juice into a bowl.
3. Slice bananas into even pieces.
4. Dip the banana into the lemon juice and place onto the baking tray.
5. Cook banana chips for 3 hours, turning halfway through the cooking time.
6. Allow to cool, and then store in an air-tight container.

Friday 19 May is Walk Safely to School Day. Mr E's Walking School Bus will be in service, and we encourage all students and parents to safely walk, ride or scoot to school on this day. See article below:

WALK SAFELY TO SCHOOL DAY

WE'RE TAKING IT IN OUR STRIDE ON FRIDAY 19 MAY 2017

Well it's that time of year again when our school seriously starts talking about walking!

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 19 May 2017!

Cooking with garden produce

On Friday the Green Team and Garden Guerrillas used some of the silverbeet and parsley that are growing in the school garden to make delicious silverbeet and ricotta cannelloni. Most students had never tried silverbeet and learned that it can be used instead of spinach in most recipes. It is easy to grow and does well all year round. The children loved helping with cooking this easy recipe and were very vocal in their enjoyment of the food. Why don't you try growing some silverbeet and or cooking it at home.

Silverbeet and ricotta cannelloni

Ingredients

Silverbeet – 300g

Parsely – 2tbsp chopped

pepper

1 onion

2 cloves

1 tsp nutmeg

300g low fat ricotta

1 egg

Parmesan – 1/4 cup

2 C passata (or 1 large tin tomatoes)

1 C low fat tasty or mozzarella cheese

Olive oil

Fresh lasagne sheets

Method

Cut the white stems from the silverbeet – these can be made into silverbeet chips or used in a gratin – then roll up and chop the green leaves into thin strips. Dice onion and crush garlic. Warm a tbsp. olive oil in pot, add silverbeet and sweat until soft. Put aside to cool. Heat a tbsp. olive oil in a pot, add garlic and onion and cook gently until softened. Then add tomatoes (basil, bay leaf optional) and cook gently for a few minutes. Mix ricotta, lightly beaten egg, nutmeg, pepper, parmesan.

Cut lasagne sheets into pieces (the right length to fit in greased lasagne dish eg 14cmx16cm)

Put about 1/3 cup of the mix along the length of a sheet and then roll up to form a tube.

Put some of the tomatoes in the dish. Lay tubes side by side in the dish on the tomatoes and spoon the rest of the tomatoes over the top. Sprinkle cheese/s over. Bake at 190 degrees for 30 mins or until golden. Serve with salad.
