Education Week Activities

Congratulations to the Arts Committee for their organisation of last week's Celebrating the Arts as part of Education Week.

SMS Messaging

We have just had an upgrade of software and we now have SMS capability. It will be used to follow up daily unexplained student absences. This feature will also greatly increase our school's ability to contact parents/carer's quickly, especially in the event of an emergency.

Principal's Report – Chris Malone

Review

The Validation component for the schools review is on next **Monday June 4th**. On that day there will be a number of external DET staff present at school as

they begin the extensive review of past and current practices. As the Principal, I am personally excited of the opportunities that this review will bring. Later in June (21st and 22nd), they will be here for two days interacting with staff, students and some parents. Details about these two days will be shared with parents after the Validation day.

Move-a-thon

One of the major school fundraisers, the Move-a-thon, will be held **THIS Friday June 1**. I look forward to the whole school community coming together for this event.

Students have been encouraged to seek some sponsors / donations but have been reminded NOT to approach strangers. These Sponsor Forms are due back **TOMORROW Wednesday May 30**. Staff will tally the number of laps or songs that the students complete on Friday and then return the sponsorship forms to students to enable them to collect their money. Sponsorship money is due back at school by **Friday June 15**. Parent/Guardian helpers and participants are always needed and welcomed. Please return the slip at the end of the note that was sent home OR complete the eform on our Skoolbag App if you can help.

Questions to ask your child/ren after school instead of 'How was your day?'

Ewen Jondahl, Assistant Principal

This week's questions are:

1. Did you learn something you didn't understand?
2. How could you model green behaviours to other students out in the yard?
3. Who inspired you today?

Winter Sport Football Report

Ben Chivers

Last Friday we took 22 keen footballers over to the Morrison Street Football Ovals in Maffra to do battle in the Winter Sports. We had six pool games throughout the day, coming away with four wins and two losses. This put us in in third position overall after the pool rounds, placing us in a semi-final match against St Thomas Primary. In a hard fought battle, in which we had plenty of chances to snatch the win, we went down by a heart breaking 5 points, to which St Thomas went on to win the grand final. The boys played in fantastic spirits throughout the day, gelling more as a team with each match. Special thanks to Nick Wilson & Mick Peverill who came along and helped out with coaching and goal umpiring.

End of Education Week-

Celebrating The Arts

Pauline Vuillermin

Last Friday saw the end of a wonderful week of students enjoying many arts based activities at lunchtimes. On Friday we had several 'special guest artists' to share and demonstrate their artworks and skills including some ladies from the C.W.A , Mrs Jewell, Mrs Johnston, Miss Lace and Mrs Ward. We enjoyed watching some lace making, some sock knitting, some teddy bear knitting, some felt making, embroidery and stitching, some painting on 'real canvas' and some cake decorating. A big thank you to our guest artists for giving their time to come and share with us. The students were all very keen and asked lots of interesting questions.
