Thank-you to Michael Hatwell who has nominated the school to receive a special Volunteers' Grant from Exxon-Mobil! Michael's extensive involvement as a volunteer in our school and as an employee of Exxon-Mobil makes him eligible to nominate the school. I am pleased to say, we have received \$1 000 as a result and this will go towards student resources as does all fundraising proceeds. Special thanks must also go to Exxon-Mobil for their support via the initiative that the school has benefitted from each year for many, many years.

Education Week Thank You

A special thank-you to the Senior School students, staff and parents who supported our Open Day last Tuesday. Over 60 families visited and they were welcomed by our Senior School students, taken on tours of the school and

heard lots of great things about the school from students, parents and staff at our Information Sessions. Thank you also to Parents & Friends for setting up and providing a wonderful morning tea after the first session.

It is wonderful to see so many people endorsing the many fantastic things that happen at our school and their pride in the school was very clear for all to see!

Music Eisteddfod

Congratulations to all of the students, parents and staff on the wonderful success achieved by our choirs and bands at last week's Sale Music Eisteddfod. The final-result saw our Senior Choir finish with an Honourable Mention, our Middle School Choir in 3rd place and both our Band and Taiko drummers finishing in 1st place in their respective sections.

Enjoy!!

ham and zucchini pikelets

ingredients

- 1 1/4 cup self-raising flour
- 1/2 cup cheese (grated)
- 200 ml milk
- 1 egg
- 60 g butter (melted, cooled)
- 1 pinch salt and pepper
- 1 zucchini (grated)
- 80 g ham (deli) (thinly sliced)
- 1 scoop butter (extra, for greasing)

method

1. Sift the self-raising flour into a large bowl, add the grated cheese and stir to combine.
2. In a jug, add the milk, egg, cooled melted butter and a pinch of salt and pepper and whisk together.
3. Add the grated zucchini, sliced ham and the liquid ingredients to the bowl with the flour and stir through until just combined.
4. Place a non-stick frying pan onto your stove over a medium heat and add a little butter. Use a tablespoon to scoop up the pikelet mixture and place six of them into your pre-heated frying pan and cook for two minutes. Carefully flip the pikelets over and cook for a further one minute.
5. Transfer the cooked pikelets to a plate and cover with foil to keep warm. Repeat until you have used all of the mixture.

From The Art Room- Pauline Vuillermin

Semester One Visual Art students from Senior

Davie and Senior Gleson have been busy helping decorate a Community Art Project. We were asked to paint and decorate two timber bollards for the Sale Stationers' Group who are beautifying the Sale Railway station. The bollards will be placed down the median strip of the car park area out the front of the railway station with native grasses to complete the area.

Each class member participated in the design to complete our two bollards. We think they look fantastic! Here is a photo of them ready to go to the Railway station, proudly held up by our Art Captains Leah, Jo and Ruby.

This coming Friday, June 2, will be the last of Mr E's walking school bus until the warmer Spring weather arrives.

Sustainability News – Di Collins

STOP THE WASTE: We need to stop creating waste so that we don't have to try to recycle it.

Case 1: Takeaway coffee cups

This tram, stuffed with more than 50,000 takeaway coffee cups - represents what Australians send to landfill every half-hour.

"Many people mistakenly think these cups can be recycled, but "the thin plastic lining that contains the hot beverage will outlive everyone on earth right now. If they get into the water, marine animals choke on them.

Not to mention all the trees, water and electricity required for their production. All for **something** we use once, for a few minutes". (War on Waste, ABC TV)

Solution: take a re-useable cup to the café with you.

The last episode of War on Waste will air on ABC TV tonight at 8.30, and the series is available on iview.

You are invited to attend a **FUN and FREE** Early Years Expo where families can find out about kindergarten enrolment for 2018 and also local services catering for preschool children.
