Tonight's Artsfest

Tonight we are celebrating the opening of the 545 Artsfest. Everyone from our school community is invited to come along to see and hear just how amazingly talented all of our students are.

Foundation Orientation & Transition

Last week saw the first of the Orientation Days for our 2019 Foundation students (Preps) as we prepare these students for school life in 2019. As a further commitment in supporting student transition into 2019, we will also be having a transition session for all other current students on Tuesday December 11.

End of Year Celebrations

As we near the end of the year, we will celebrate with a series of special events. These include (but are not limited to):

- Monday December 3: Thank-you Morning Tea for parents, guardians and others who have assisted throughout the year.
- Thursday December 6: Grade 6 Graduation Ceremony
- Monday December 10, Christmas Concert in Victoria Park

I am sure everyone is looking forward to these events in particular.

2019 Planning

To assist in our planning, we would appreciate being notified immediately of any of the following situations:

- New enrolments (2019 Foundation and other levels) – if you know of any new enrolments, please notify the Office.
- Transfers Out – if you are not returning to 545 in 2019 (Grade 6's excluded), please notify the Office of your impending departure.

School Canteen

The school canteen will be opening on Wednesday and Friday lunchtimes for the remainder of the school year, between 1-1.30pm

Items available include:

Icy poles \$1, Zooper Doopers 50c

Delites 60c, Popcorn 60c

School Uniform

Our uniform supplier for 2019 and beyond will be JSM of 71-73 Macarthur Street, Sale. JSM have begun getting some of our uniform in stock and are almost ready to transition to servicing our school community for the future.

Thank-you Morning Tea

As a sign of our appreciation, parents who have been actively involved in school activities throughout the school year are being invited to a Thank-you Morning Tea. The Morning-Tea will take place in the Market Square at 11:00 a.m. on

Monday December 3.

Whilst every effort was made to invite all parents that supported the school throughout the year, invariably someone may be missed. Please accept this message as an invitation to ALL parents who have participated in school activities throughout the year (classroom programs, sport, music, camps and excursions, canteen, Parents & Friends, School Council etc.) to come along and celebrate the end of the year at our Morning Tea.

We have had another fantastic year with our Wellington Blue Light Disco's. From our first Disco held in Sale, July 2016 to our most recent Disco on 14th September in Sale, we have held 10 Disco's in the Wellington area. So far approximately 1500 children from grades 3 - 6 have attended and have had a great time.

We want to continue with this great initiative so we are calling for any interested members of the public to join our Blue Light Committee. We are holding an Annual General Meeting on 22nd November, 2018

at the Sale Police Station at 7pm. At this time, all Committee positions will be open. The feedback from the children who attend the Disco's is fantastic and they really enjoy it!. We hold approximately 5 Committee meetings, generally just prior to a Disco for final organising of the event.

We are a not for profit organisation. The funds from each Disco that we hold goes to the funding of the next one. Please help us keep these awesome events going. For further enquiries please contact Leading Senior Constable Kim KELL on 51 42 2200.

Pre-Foundation at '545'

AND how it might benefit your child

One in five Victorian children starts school 'developmentally vulnerable', according to the 2015 Australian Early Development Census, and those who start behind tend to stay behind.

There are several reasons why enrolling in a Pre-Foundation class might be considered 'in the best interest' of your child's overall learning development. These might come under any – or a combination of – the following early development areas:

-  **Wellbeing** (social, physical and emotional regulation)
-  **Communication** (language development)
-  **Identity** (sense of self, developing independence in managing their day & regulating emotions)
-  **Community** (connecting with peers, developing awareness of the feelings of others)
-  **Learners** (developing and interest in and engagement with learning opportunities)

Acting out the story of The Three Billy Goats Gruff

At Sale Primary School, we have developed a program that specifically builds on the individual needs of children who may not yet be ready for the more formal classroom schooling experience.

Children in our Pre-Foundation program are members of our school community, experiencing a range of learning in all areas – Classroom and Specialist programs. Our Specialist programs include Art, LOTE (Japanese), Health & Physical Education and Music.

Our Pre-Foundation room has an open learning space similar to kindergarten experiences, as well as a more typical classroom environment, where we develop learning stamina over the course of the year.

Highly skilled professionals are involved in your child's Pre-Foundation year, with regular communication between home and school encouraged.

ENROLMENTS ARE STILL OPEN and WE WELCOME YOUR CONTACT

Starting Out Safety

Starting Out Safety is delivered by Early Learning Association Australia (ELAA).

Did you know that that several thousand children from birth to six years are hospitalised each year in Australia due to transport related injuries?

Educators, practitioners and other community members, working collaboratively with families, can lay the foundations for safe road use throughout a child's life. The session will cover the best practice procedures based on the latest research and safe transport policies.

Keeping children safe free Professional development sessions

Road trauma is the leading cause of death and disabling injury for children in Australia. By using the appropriate child car seat and using it correctly we can save children's lives.

Starting Out Safety is Victoria's early childhood road safety education program.
