### **A message to the school community from**

#### **Mick Hatwell – School Council President**

It is with great pleasure that I would like to officially notify the Sale Primary School community that Chris Malone has been appointed as Principal. I would like to thank Chris for his efforts so far in 2018 as the Acting Principal whilst Mr E took the year out to decide on his future. Chris has shown that even though he has been in a caretaker role this year, he has not been afraid to challenge the way we do things and has been open and honest in his feedback on what he sees is needed to take a good school like 545 and make it a great school. I am excited to see what he has to offer now that he is in a more permanent role and look forward to working with him in the future. Please join me in congratulating him as we move into a new phase for the Sale Primary School.

##### **Art-Fest Week Congratulations**

Congratulations to everyone involved in the Arts-Fest lasts week. The art work on display needed to be seen to be believed. We certainly have some amazing artists and they are well supported by the artistic Mrs. V. This work was complemented by the musical performances under the careful guidance of Mr Dorber. Our choirs and bands are simply sensational. In the 545 Nest over the past fortnight, there were some incredible pieces of art work created by each class. These art works were up for sale via a Silent Auction. Thanks to those families who supported the auction. Thanks to Staci Scott for once again organising and coordinating the 2018 art auction. These events do not happen without the collective response from many people, thank-you to many, many parents, teachers and students who have worked tirelessly in making the Art-Fest a huge success!

### 2019 Foundation Orientation

## Host families urgently needed

At 545 we have been very lucky to have had Japanese Assistant Teachers working in our school for the last 17 years. We have had wonderful assistants who have enriched school programs and provided an opportunity for our students to become friends with a Japanese person, as they learn Japanese. Next year the Middle School are due to perform the musical, Issun Booshi, and the assistant has a major part in preparing children for this exciting event.

This program relies on the generosity of our school families in opening their hearts and homes to our assistants for up to a term. Our assistants become part of the family, taking part in family activities and sharing their knowledge of Japan as they learn about Australian family life. Many friendships have been made that have lasted long after the assistant has returned home. Our assistants are all recently graduated university students who also enjoy becoming part of the community and joining in social activities with the staff and new friends. They often enjoy cooking for their family and sharing skills, such as origami, with children.

Our assistants require a room of their own and meals.

We are urgently seeking host families for next year. If you would like to find out more about hosting in term 2, 3 or 4 please contact Di Collins at school by the end of this week. Previous host families are also happy to talk to you about hosting.

**If we do not have sufficient support from families (it could be Grandparents too) this program will not be able to continue next year.**

## Seaspray Thursday Public Bus

Use it or Lose it, how often do we hear that?  
But it's a fact, if a service isn't being used it will disappear.

We need to continue to use the bus service and there are some great opportunities especially through the coming months to make use of our bus service.

If you want to travel from Sale to Seaspray or Seaspray to Sale jump on board come down, come in. You can come down to the Surf Lifesaving Club to look at the view and have a quiet lunch, and drink. You can come to Sale for some retail therapy, doctors, or just have a lunch in one of the many restaurants

Come down to the patrolled beach over summer. Come up to the Lake and the river and enjoy all that Sale has to offer.

Have a fish on the lake or try your hand at Surf fishing. Come with the kids and camp at the Caravan Park and access all the facilities on offer.

The Bus is a great service and a great opportunity to spend some time in beautiful Seaspray or get away to Sale for some respite.
