Good luck is extended to the 22 students attending today's Gippsland Athletic Championships in Newborough. Mrs Courtney and Mrs Wilson have attended to support the students competing at this very high level of competition as they attempt to qualify for the State Championships on October 30th.

Punctuality

We appreciate that there are some mornings; when things do not go according to plan; and students may be late for school! However, we encourage all families to do their best in arriving at school on time and ready for a day of learning. This means arriving at school by **8:50 am on Monday mornings** for Assembly and by **9:00 am on all other days**. Teachers mark the roll at 9:00 am and begin lessons immediately after so, it essential for students to be in class, ready for instruction, at this time. In the event that students are late for school, parents are reminded that they need to be signed in at the office where they will be issued with a Late Pass.

Raffle Tickets

The School Council has once again organised the major School Raffle for the year. There are many prizes on offer as supported by local businesses and school families and we thank them for their support: **Philipson's Accounting, the Lett family, Sullivan-Braham Solicitors, O'Neill's, Tinamba Hotel, Devlin Apartments (Geelong), Kim Walker (Massage & Todd's) & the Ropeti family and the Criterion Hotel.**

Parents are reminded that all items related to this fundraiser (booklets / money) are due back now.

We hope all members of the school community can get behind this raffle as we raise much needed funds for the school. The raffle will be drawn next **Monday October 23** at the School Assembly.

2018 Planning

At this time of the year, many decisions and arrangements are being made in preparation for the 2018 school year.

To assist in our planning, we would appreciate being notified immediately of any the following situations:

- New enrolments (2018 Foundation and other levels) – if you know of any new enrolments, please notify the Office.
- Transfers Out – if you are not returning to 545 in 2018 (Grade 6ers excluded), please notify the Office of your impending departure.
- If you have any specific parental requests for Grade Placements in 2017, please notify the Principal (in writing), no later than **Friday**

Principal's Report – Brad Evans

Japanese Information Night / Japanese Garden

Parents are encouraged to come along to tonight's Japanese Information session in the 545 Nest. This session will outline the importance and benefits of learning another

language as well as celebrating the features of the Languages Program that are offered here at Sale Primary School.

Congratulations to Collins Sensei and all those that have assisted her in the establishment of a Japanese Garden. This is a wonderful addition to our school grounds and one that will be enjoyed by school community members for years to come.

Future Star Basketball / Gippsland Athletics

Congratulations to the senior school students that competed in the State Future Star Basketball Tournament in Dandenong yesterday. They were eliminated in the qualifying final after winning two of their four preliminary games and should be very proud of their efforts.

Special thanks to Miss Ross for coaching the team and Mrs Staple, along with a number of parents, who supported the students at this event.

School Supervision: Children are supervised between the hours of 8.45am and 3.45pm.

November 24. Whilst there are no guarantees, all reasonable requests will be considered but parents are reminded that requests are not to take on the topic of “choosing a specific teacher”.

Walktober Update

The month of October has been declared Walktober. All school aged children are encouraged to walk, ride or scoot to school in an attempt to become more active. We encourage parents to also get involved and consider walking to school with their children and or parking a little distance from the school and walking the rest of the way if travelling longer distances.

I am going to walk to school on most days this month. All students, staff and parents are welcome to join me on the **Mr E Walking Bus** each morning (mornings only) from 8:00am. I will be starting at the corner of **Montgomery and Patten Streets at 8:00am each morning and walking up to Guthridge Parade and following this along past the Fauna Park, Pool and Bowls Club. We will then cross Foster Street and make our way behind the Hospital and walking up to school along Macalister Street arriving no later than 8:30am.**

Mr Chivers and Ms Kuch will also be operating a ‘one off’ walking school bus this Friday October 20. Details of their ‘bus’ are included in this Newsline.

Students must wait with their parents until I arrive at any point along the route. It will be a swift operation so we will not be waiting. Be there, be active!

So far the record has been 23 passengers!

Be part of 545’s History - Commemorative Plaques

An opportunity exists again this year for former and existing members of our school community who would like to support the school and leave their mark on history.

In partnership with Gippsland Trophy House, brick mounted plaques will be created and secured on our established feature wall to permanently preserve your involvement at the school.

At a cost of: **\$50 per plaque.**

Plaques dimensions are: 150mm X 60mm (inclusive of a maximum of **18 Characters including spacing X 2 Rows**)

E.G.:

				B	R	A	D		E	V	A	N	S				
				P	R	I	N	C	I	P	A	L					

Orders forms have been made available with this week’s Newsline and will remain so until the end of November for production in early December allowing for the plaques for this year to be mounted before the end of the school year. Additional order forms are also available from the Main Office.

Orders are now on sale and will close on Thursday November 30. Please note: No late orders can be accepted after this date.

Tour of Gippsland Cycling Event Parking Disruptions Around School

THIS Friday October 20

This **Friday October 20**, the Tour of Gippsland road cycling event will be conducting a criterium circuit bike race around our school.

To ensure the safety of riders and the community, temporary changes to traffic conditions around Sale Primary School will be implemented. The following restrictions around our school will be in place:

The following roads will be closed on **Friday October 20** from **8.30am until 3.30pm** to allow for the set up and pack down of the event:

- Cunninghame Street – between Market and Marley Streets

The following roads will be closed on Friday October 20 from **10am until 2.30pm** for the event:

- Cunninghame Street – between Barkly and Marley Streets
- Marley Street – between Cunninghame and Macalister Streets
- Macalister Street – between Marley and Barkly Streets,
- Barkly Street – between Cunninghame and Macalister Streets, and
- Dundas Street, between Cunninghame and Macalister Streets

There will also be temporary restrictions to car parking along these sections of the road (the course). Temporary NO PARKING signs will be placed along the course; please obey these signs and ensure there are no parked cars on these roads during the above times. Racing begins at 11am for the women's racing and 12.30pm for the men's racing.

The community is invited to attend to come along and support Australia's best up and coming cyclists.

If you have any questions regarding the event and road closures, please call Alison Norfolk at the Wellington Shire Council on 5142 3205.

WALK TO SCHOOL 2017

Bree Courtney

Walk to School is back for 2017 and we can't wait to get walking, riding and scooting to and from school! Every class will be able to record each, walk, ride or scoot to and from school for the whole month of October onto a class tally sheet to keep track of their progress.

Mr E's Walking School Bus is back in operation (see Principal's Report in this Newsline for details) and at the end of October we will celebrate with a whole school healthy breakfast!

What is Walk to School all about?

Every October, Walk to School encourages Victorian primary school kids to walk, ride or scoot to and from school. It's a great way to help students learn healthy habits and achieve the recommended 60 minutes of physical activity, every day. It also encourages primary schools, local councils and communities to make active travel easy, safe and accessible.

Benefits for the whole community!

Along with the health benefits, walking to school has benefits for the whole community. It reduces traffic congestion, saves on parking, helps us connect with family and friends and even saves the environment! There are so many great reasons to participate in Walk to School this October.

Bees Ewen Jondahl

Thank you to the number of parents who have made us aware of a swarm bees in one of the trees here at school. We have had a team of Apriasts here to investigate the situation. They have advised that the swarm on the weekend may have been the bees relocating due to the warmer weather. We will continue to monitor the situation.

- Ralph Avenue to Cemetery road
 - Cemetery Road to Dawson Street (cross the train tracks)
 - Dawson Street to the highway (using the highway crossing)

When: Friday 20th October

Where: Leaving from the corner of Glebe Drive and Woondella Boulevard at 8am

Course:

- Glebe drive to Ralph Avenue

As is the case with Mr E's Walking School Bus, students **MUST** wait with their parents until we arrive at any point along the route. It will be a swift operation so we will not be waiting. Be there, be active!

Family Science Night for Grade 1 & 2 Thursday 26th October

What are family science nights?

- They are a time where as a family you can try heaps of different science experiments. All the experiments are set up ready for you, with clear instructions to follow and some reasoning as to why things work.
- We are offering this night to the children in Grade 1 and 2.

Do the nights cost any thing?

- No. The evenings are free and the school supplies all the equipment.

Are the Nights fun?

- Yes! The focus is to help children (and families) realise that science is fun and all around you every day.

Do you need to know heaps about science?

- No, you do **not** need to know any thing about science to enjoy the night. Everything is there for you to read and try the experiments with your child.

Are siblings allowed to come along?

- Yes. Anyone is welcome to attend, grandparents, babies anyone!

When is the science night?

- Thursday 26th October
- 5:00 – 6:30 pm
- Starting time is 5:00pm, but you are welcome to come any time from them on. Just allow yourself enough time to explore some of the tasks before closing time of 6:30.
- Venue: Senior School

If you would like further information please contact the school.

We hope to see you all there.

Japanese News – Di Collins

- Would you like to know a little more Japanese than “Konnichiwa”?
- Does your child speak to you in Japanese?
 - Would you like to be able to help your child in this important aspect of their overall education?
 - Would you like to learn how to make delicious sushi?

All this and more will be covered in a session for parents to be held TONIGHT **Tuesday October 17** from 7-9pm at 545.

Come along and find out why language learning is so important today and how the skills that are developed learning Japanese can be applied to learning other languages and other content areas.

HOST FAMILIES NEEDED

At 545 we have been very lucky to have had Japanese assistants working in our school for the last 15 years. We have had wonderful assistants who have really enriched school programs and provided an opportunity for our students to become friends with a Japanese person.

This program relies on the generosity of our school families in opening their hearts and homes to our assistants for up to a term. Our assistants become part of the family, taking part in family activities and sharing their knowledge of Japan as they learn about Australian family life. Many friendships have been made that have lasted long after the assistant has returned home. Our assistants are all recently graduated university students who also enjoy becoming part of the community and joining in social activities with the staff and new friends. They often enjoy cooking for their family and sharing skills, such as origami, with children.

Our assistants require a room of their own and meals.

If you would like to find out more about hosting in 2018, please contact me at school.

Please seriously consider hosting, as it is essential for this wonderful program to continue.

Please fill in the reply slip and return it to the OFFICE by Friday October 20 if you would like to find out about hosting in 2018.

Future Stars Hooptime Regional Finals – Dandenong Monday October 16, 2017

Congratulations to Jas, Camryn, Mia, Thomas, Finn, Caleb & Finn who represented our district at the Gippsland Region Future Stars Hoop Time tournament on Monday. The team travelled to Dandenong where they played four fast games against other schools. The team won 2 games and lost 2 games, which enabled them to play in the Qualifying Final. They were narrowly beaten by only 3 points in this match with the winning team going to the State Finals in December. The team are to be commended on their sportsmanship, behavior and excellent team spirit throughout the day. A special thanks to Emma-Lee Ross who travelled to Dandenong to coach the team and Mrs Staple as team manager.

Scores:

Game 1 – 3-23 loss to Beaconsfield

Game 2 – 14-7 win against Cardinia

Game 3 – 18-6 win against Upwey South

Game 4 – 7-10 loss to Oatlands

Qualifying final – 9-12 loss to Mossgiel Park
