## Artsfest – Help Wanted! - *Pauline Vuillermin*

The set-up day for the Artsfest Visual Arts Display will take place on Friday November 16<sup>th</sup>. Many hands are needed to help put up your children's artwork in Market Square. This involves sticking blutack to the back of art pieces, unpacking 3d sculptures and helping put up the displays in Market Square. If you can spare an hour or two to help Mrs V, it would be very much appreciated. If you haven't been able to help out at school yet, then this is your chance. We cannot run these events without parental

assistance.

Please telephone or message the office or fill in the slip at the end of Newslines with your offer to help. Thank-you Mrs V

\*No experience necessary! \*Help and guidance provided! \*Any time from 9am onwards

Well done to Carpenter House who won the Junior Athletics Carnival shield last Friday. Ruff House showed fabulous sportsmanship and endeavour, winning the Team Spirit Cup.

It was a wonderful day to hold our Junior Athletics Carnival on Friday, after having to postpone the event in Term 3 due to poor weather. It was great to see so many parents and friends spectating to cheer the students on. Special thanks must go to all the parents and Sale College students who helped to run the events on the day and to the Parents and Friends Committee for selling yummy refreshments at the canteen.

And last but not least, well done to all the students for participating in all the different events so well. It was so nice to see everyone enjoying the day!

# Pre-Foundation at '545'

## AND how it might benefit your child

*One in five Victorian children starts school 'developmentally vulnerable', according to the 2015 Australian Early Development Census, and those who start behind tend to stay behind.*

There are several reasons why enrolling in a Pre-Foundation class might be considered 'in the best interest' of your child's overall learning development. These might come under any – or a combination of – the following early development areas:

-  **Wellbeing** (social, physical and emotional regulation)
-  **Communication** (language development)
-  **Identity** (sense of self, developing independence in managing their day & regulating emotions)
-  **Community** (connecting with peers, developing awareness of the feelings of others)
-  **Learners** (developing and interest in and engagement with learning opportunities)

*Sharing technology designs with Mr Jondahl*

*Acting out the story of The Three Billy Goats Gruff*

At Sale Primary School, we have developed a program that specifically builds on the individual needs of children who may not yet be ready for the more formal classroom schooling experience.

Children in our Pre-Foundation program are members of our school community, experiencing a range of learning in all areas – Classroom and Specialist programs. Our Specialist programs include Art, LOTE (Japanese), Health & Physical Education and Music.

Our Pre-Foundation room has an open learning space similar to kindergarten experiences, as well as a more typical classroom environment, where we develop learning stamina over the course of the year.

Highly skilled professionals are involved in your child's Pre-Foundation year, with regular communication between home and school encouraged.
