## Walk to School Month Bree Courtney

Last Friday we held the annual 545 Walk to School Breakfast. Students enjoyed cereal, toast, a variety of fruit and juice. It was a wonderful way to celebrate healthy active lifestyles. Mr E's Walking School Bus had 86 participants with many more making their own way to school on foot, bikes or scooters from other parts of town. Special thanks goes to Parents and Friends and the staff members who assisted with food preparation and serving breakfast on Friday morning.

### Mr E's Walking School Bus - Mr E.

Tomorrow (Wednesday 31 October ) is the final Walking School Bus. I

invite as many students, staff and parents to join me. The route will start at the corner of Patten and Montgomery Streets @ 8:00 a.m., heading up

Montgomery Street and turning right into Guthridge Parade, left into Foster Street, right into Palmerston Street and left up Macalister Street to the school crossing with students delivered to school at about 8:30 a.m.

Children can join in anywhere along the route, however, parents are asked to wait with their children until the 'bus' arrives. Parents are also welcome to join in the walk to school. Any cancellation notifications will be made via the skoolbag app.

## Hoop Time Regional Finals

Our Grade 5/6 All Star Boys Basketball Team headed to Traralgon last Thursday to compete in the Hoop Time Regional Finals. The best teams from across Gippsland competed, all trying to qualify for a place in the State Finals in late November. Our 545 team won 2 out of their 3 group rounds against quality competition,

earning them a place in the semi-final. They came up against a strong St Paul's (Warragul) team who hadn't lost a game all day. Despite leading on the scoreboard at half time, and playing their best game together so far this year, they fell short by 2 points. St Paul's went on to win the competition, defeating St Mary's Maffra in overtime in the Grand Final. Well done 545 All Stars on an excellent effort!!

## SSV State Athletics

Well done to Cassie, Matilda and Janella who competed at State Athletics yesterday. Cassie came 5<sup>th</sup> in the 1500m and 8<sup>th</sup> in the 800m and Matilda came 14<sup>th</sup> in the 1500m. Janella came 10<sup>th</sup> in long jump and 15<sup>th</sup> in triple jump. Well done girls, it is a fantastic effort to compete at this level !

## Artsfest – Help Wanted! - *Pauline Vuillermin*

The set-up day for the Artsfest Visual Arts Display will take place on Friday November 16<sup>th</sup>. Many hands are needed to help put up your children’s artwork in Market Square. This involves sticking blutack to the back of art pieces, unpacking 3d sculptures and helping put up the displays in Market Square. If you can spare an hour or two to help Mrs V, it would be very much appreciated. If you haven’t been able to help out at school yet, then this is your chance. We cannot run these events without parental

assistance.

Please telephone or message the office or fill in the slip at the end of Newslines with your offer to help.

Thank-you Mrs V

## Pre-**Founda**tion at '545'

**AND** how it might benefit your child

*One in five Victorian children starts school 'developmentally vulnerable', according to the 2015 Australian Early Development Census, and those who start behind tend to stay behind.*

There are several reasons why enrolling in a Pre-Founda**tion** class might be considered 'in the best interest' of your child's overall learning development. These might come under any – or a combination of – the following early development areas:

-  **Wellbeing** (social, physical and emotional regulation)
-  **Communication** (language development)
-  **Identity** (sense of self, developing independence in managing their day & regulating emotions)
-  **Community** (connecting with peers, developing awareness of the feelings of others)
-  **Learners** (developing and interest in and engagement with learning opportunities)

*Sharing technology designs  
with Mr Jondahl*

*Acting out the story of  
The Three Billy Goats Gruff*

At Sale Primary School, we have developed a program that specifically builds on the individual needs of children who may not yet be ready for the more formal classroom schooling experience.

Children in our Pre-Founda**tion** program are members of our school community, experiencing a range of learning in all areas – Classroom and Specialist programs. Our Specialist programs include Art, LOTE (Japanese), Health & Physical Education and Music.

Our Pre-Founda**tion** room has an open learning space similar to kindergarten experiences, as well as a more typical classroom environment, where we develop learning stamina over the course of the year.

Highly skilled professionals are involved in your child's Pre-Founda**tion** year, with regular communication between home and school encouraged.

**ENROLMENTS ARE STILL OPEN and WE WELCOME YOUR CONTACT**
