Coming up in week 6 is the Children's Book Council of Australia - Book Week celebration. Our annual dress-up day will be held on **Tuesday, August 20.**

On this day, students are invited to dress up as their favourite book character. Although not necessary to follow, the theme this year is: "Reading is Magic". We look forward to seeing all our beloved book characters come to life!

Learning in JA

In Respectful Relationships the Juniors have been learning about personal coping strategies to use in times of stress. We have learnt about what stress is and the different ways that our bodies might show us and others that we are having these big emotions (e.g. fidgeting, tense muscles, tired/sleepy eyes).

Next, we were explicitly taught calming and cheering up strategies. Students now know the importance of calming our big emotions, but then also needing to lift ourselves back up like a balloon to feel positive emotions again instead of staying in a stressed state.

It has been wonderful to see students in JA actively using the coping strategy displays to support themselves and their peers to manage stress.

ART ROOM NEWS – LOU COOPER

All cohorts have been focusing on colour theory the past week.

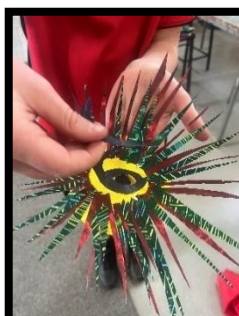

Foundation students painted papers in primary colours using brayer rollers and used different tools for mark making such as forks, corks, bubble wrap and cotton tips.

Junior students looked at and discussed the colour wheel then created painted papers by mixing primary colours with the roller onto gelli plates to create the 3 secondary colours.

The middle cohort revised the colour wheel and made 4 tints (adding white) of their favourite secondary colour - some of the colours they created are just gorgeous.

Senior students used the gelli plates and stencils to choose 2 colours that replicated colour harmony, colours that they thought worked well together.

Foundation and junior students have used their papers to create their flower blooms for the collaborative flower wall which will be revealed in full next week, after the addition of middle and senior's blooms.
